

TWENTY-THIRD LIST.

KILLED IN ACTION.

WELLINGTON, This Day.

Private Arthur Watson, Canterbury Battalion.

Note:—Private Arthur Watson offered his services at Timaru and was at the time employed in the Linotype Department of the "Timaru Post." His stepfather resides at Greymouth. He was highly esteemed by his employers and companions in the office of the "Post," and the news of the death of their "boy" at the Front caused the deepest sorrow. So recently as yesterday the mail from Egypt brought letters and cards from the late Private Watson to his personal friends in Timaru.
