

# Learning Outside the Classroom Term 4 & 1

## Rocky Shore

- Investigate the creatures that live on the rocky shore.
- Learn about the Geological and social history of Waitarakao (Washdyke Lagoon).
- Collect rubbish from the beach to see the human impact on our marine environment

## Insect/Stream Study

- Find, identify and look closely at terrestrial or aquatic insects
- Explore the native bush or our braided rivers
- Find out about the life cycles and food chains that sustain these environments

## Camp Activities

- Insect/ stream or bush studies can be run at camps where appropriate
- Hands on pioneering activities including butter churning can be run at your camp
- Hobo stoves (to cook a pikelet). Learn to light a small fire

## End of Year Big Day Out Ideas

- Pleasant Point Railway
- Sanfords fish factory tour
- South Canterbury Aviation Museum and Aero Club
- Peel Forest, Talbot Forest, Pioneer Park, Warren Reserve Bush (insect hunt, bush walk, pioneering games)
- Otipua Wetlands
- Amazing Race—Caroline Bay, Scenic Reserve, Oamaru Victorian Precinct
- Visit Waihao Marae

This is only a sample of what we can do for your class. Let us know what your LEOTC needs are and we will work with you to create a programme. We can also host groups at the South Canterbury Museum as well as other museums from Mid Canterbury to North Otago.

Book in now to ensure that you get the dates that suit your class.
