

Temuka Leader. 26 October 1918 (PP) [25/07/2019]

ROLL OF HONOUR

Yesterday Mrs K. Greelish, Temuka, received a telegram from the Minister of Defence stating that her second son, 62971 Private John Greelish, was killed in action in France on 8th October. The late Private Greelish left with the 31st Reinforcements and arrived in England in January last. After arrival in England, he was for four months in hospital suffering from pneumonia, so could not have been long in France, before he met his death. He was born at Milford and educated at the Milford School. On leaving school he was employed by Mr S. McCully for 14 years, and on leaving him he worked for Mr P. Mitten and Mr E. J. Smith for about two years. He was a member of the Temuka Pipe Band for a while, a hard-working young man whom all respected, and was 31 years of age. Much sympathy will be felt for his bereaved mother and other relatives.
