## **THEIR DUTY DONE.**

### **DEATH OF PRIVATE W. H. GASON**

The following letter was received by Mrs Gason, Milford, from 2nd Lieutenant F. W. Moore, France: "Dear Mrs Gason, —It is with the deepest regret that I write you regarding the death in action on October 12th of your son, 6-4248, Private W. H. Gason. He joined up with my platoon after his discharge from hospital, and proved himself to be a very efficient soldier as well as invaluable for his unfailing good spirits and cheerfulness. In action his example and advice were of great value to the newer hands in his section, until he was struck by a machine gun bullet in the head and killed instantaneously. It is my greatest regret that I was not able to bring him out with me, and I beg to offer my deepest sympathy in your bereavement."
